**Calpipe Industries, Inc.<sup>TM</sup> is pleased to announce the appointment of Mike Lang as Product Manager.**

Rancho Domínguez, CA (June 30, 2014)—Calpipe Industries, Inc.<sup>TM</sup> has appointed Mike Lang to the position of Product Manager for the Calbond<sup>TM</sup> and Calconduit<sup>TM</sup> brands as part of a drive to further raise Calpipe's profile as the market leader in these product categories.

“Mike's previous experience in sales coupled with the past 3 years serving as our Inside Sales Manager for these brands have positioned Mike to excel in this role”, said Jim Johnson, Vice President of Sales & Marketing. “His experience in support, where he listened to and learned the needs of the customer, will be invaluable to the direction of the Calbond and Calconduit product lines”.

As Product Manager, Mike will be responsible for collaborating and driving solutions across development teams in Engineering, Manufacturing and Sales and specifying market requirements for current and future products by conducting market research supported by on-going visits to customers.

According to Mike, “I look forward to working alongside our sales team, providing technical presentations as well developing the company’s relationships with engineers and facility owners”.
